Paper fastener through hole punched through top of leg and bottom of envelope

Sellotape a penny to the back of foot, to give weight and movement

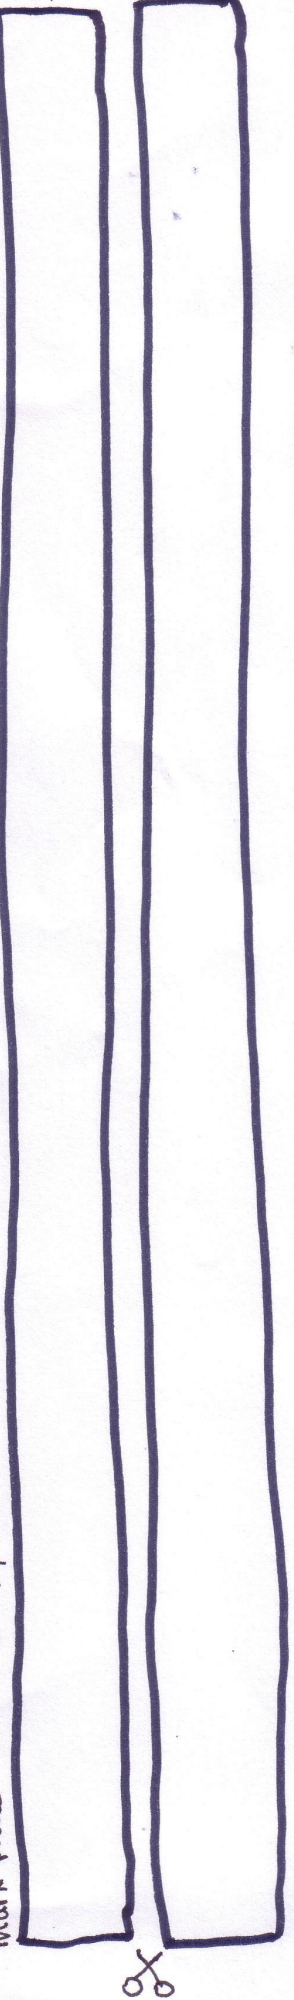

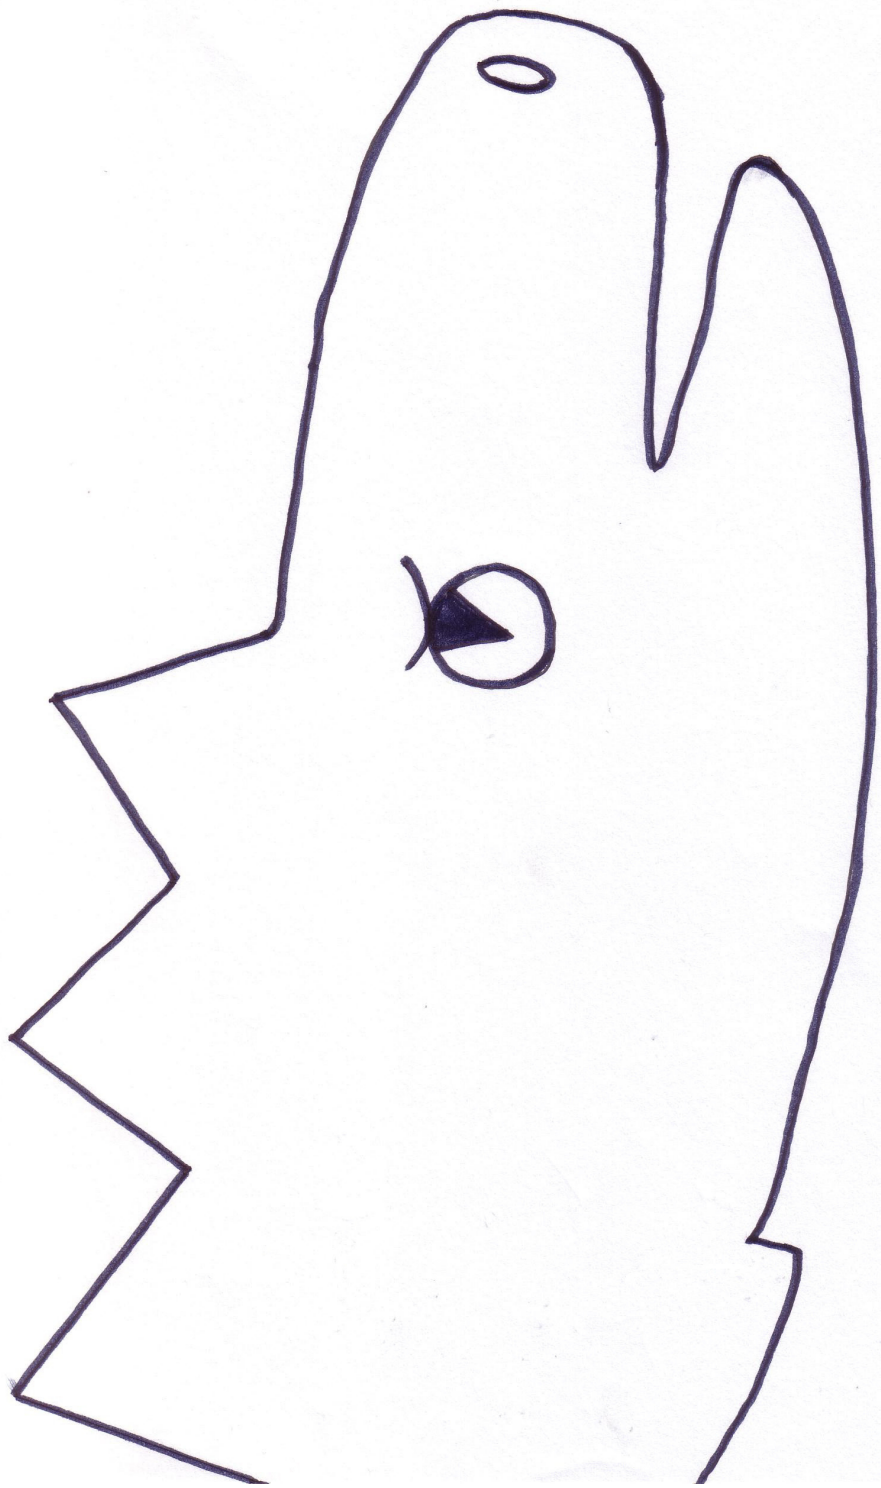

Pirate hat

✠ Add your own
glitter, feathers,
paint, sequins,
and felt tip pens.

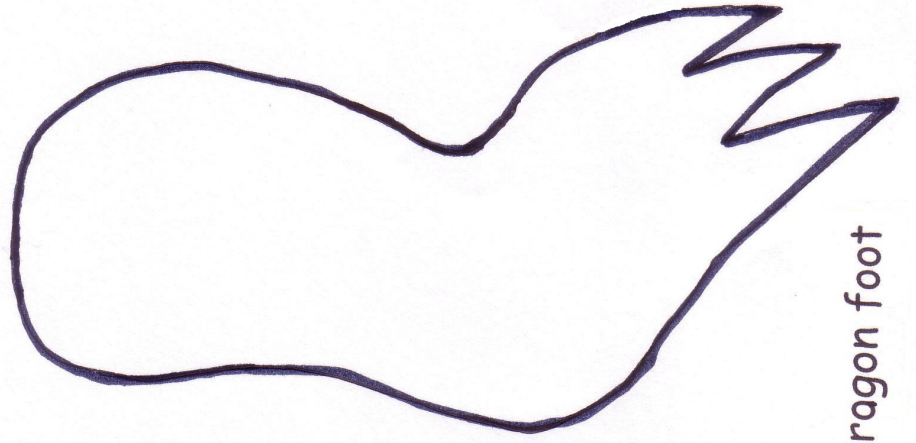

Cut out these bands, stick them together and then attach one end to the inside left of the hat, using glue, sellotape or staples. Place hat on your child's head, run strap round head to inside right of hat, mark place on the strap, remove it, then cut it and stick it in place. ✂
