

# House Rules for The Enchanted Forest Adventure

We'd like to ensure that our online sessions are fun and safe for everyone to attend, which is why we ask you to follow the list of rules below.

1. Microphones are all muted so that everyone can hear the story and to limit noise feedback.
2. We ask that videos are all turned on for safeguarding purposes so that we can see everyone and verify them. Anyone who does not turn their video on is removed.
3. There is a chat function on Zoom so if anyone needs any help during the session they can write a message and we will help as best as we can.
4. Please be camera appropriate as we can see you as much as you can see us!
5. Please do not record the session due to our music licence, just enjoy it live.
6. Our stories are interactive so please be aware of the space you are in: of any furniture etc. and if you are eating finish your food before you join in.
7. If your child is a wanderer or a roamer, don't worry, we will continue telling the story and they can join in their own way.
